

**Report for Bramford Parish Council A.G.M.**

**27<sup>th</sup> April 2015.**

**Lorraine Victory Hall, Bramford.**

We have had another year of average bookings.

After some complaints, from hires, about the toilets feeling cold we have installed electric heaters in all the toilets.

The committee room has had the door-way enlarged to enable trolleys easier access.

New flooring and the walls painted.

John Field gave us a grant of £1,400 towards these alterations (Locality budget).

In November 2014 we held a concert by the 'Tuti Fruties' which raised £600 for the hall funds.

The heating has needed repairing and servicing, costing approximately £1,000.

We also hired the hall to the Bramford History Group, in November, who held a very successful W.W.1. exhibition which was well attended.
